## Alumni Stories – Jimmy Ko

Jimmy Ko was Santiago Canyon College's ASG President and Region VIII Chair during the 2013-2014 school year. Mr. Ko transferred to the University of Southern California's Marshall School of Business and graduated with a Bachelor of Science in Business Administration. While attending USC, Mr. Ko created the first transfer organization, Transfer Student Community, to assist transfer students. This program was featured in [\*The Los Angeles Times\*](#).

Mr. Ko currently works in commercial banking, serves as the Vice Chair of Programming for USC's Young Alumni, and continues to work closely with the Transfer Student Community program at USC.

“SCC provided me opportunities to grow and succeed. I am proud to share that this year I completed a goal to create my own scholarship at SCC in order to support those after me.”

*Favorite memories of SCC was playing in the student vs. faculty basketball game and being one of the first individuals to use the new facility. I had a unique opportunity to get to know the faculty, staff, and administration at SCC and enjoyed all of those moments.*
