“CHANGING STUDENTS’ LIVES”

The Hawk’s Nest Food Pantry supports all credit and non-credit SCC students’ academic potential, creativity, as well as their personal and professional growth by providing free and nutritious food for students and their families.

In Spring 2020, the Food Pantry will expand its services under the umbrella of a new Basic Needs Center. The Center is envisioned as a “one-stop-shop” offering expanded access to food and personal supplies. It will also offer comprehensive counseling resources related to housing, health, nutrition, life skills and related services that support students’ academic success. The center will also offer students hands-on opportunities to learn how to manage a store or resource center.

DEAR FRIENDS OF THE COLLEGE,
I invite you to join me for the 20th Annual “Changing Students’ Lives” Golf Tournament on Thursday, April 30, 2020 at Oak Creek Golf Club. Sponsored by the Santiago Canyon Foundation (SCC). The food pantry provides healthy food and personal care items to students facing food insecurity, financial insecurity, and in some cases, homelessness. It also connects students and their families to support services on campus and in the community. The Basic Needs Center, which launches in Spring 2020, will be a “one-stop-shop” for students needing food, housing or other support services.

This year Santiago Canyon College celebrates its 20th year as an accredited community college. Through those years, the golf tournament has provided tens of thousands of dollars in support for scholarships and programs at the College. I would like to request you to participate in our tournament by playing, requesting your friends to play and promoting our event in your social circle.

Become our partner in helping us keep ambitious students who face real personal challenges in school to stay on track to get a college degree. Join us as we launch our third decade providing students with the tools they need for personal and financial success. What Happens Here Matters. Become a part of it by missing the golf tournament today. I look forward to seeing you there!

John Hernandez, Ph.D.
President, Santiago Canyon College
