VI. Standing Line Items

6.01 Helpful Hawk

DeCarb: Is asking for \$1,200 for a Guided Pathways workshop. The goal of the workshop is to begin informing the student body of what Guided Pathways is and why they should care about it. There are several administrators as well as the College President Hernandez who will be present. Guided Pathways allows colleges to examine areas where the college can improve upon. An example of a college that has already implemented Guided Pathways would be Bakersfield College. “Im not gonna let the boogeyman keep me out of the....”

Lanning moves to go to a roll call vote to approve the request for 1500, seconded.

VII. Unfinished Business

7.01 Financial Policy (Discussion Only)

Hou: Wants the ASG to reconsider how the budget is being spent. It should be a top priority for the ASG to be protective of its finances. The money that the ASG depends on is provided directly from Students. Whenever an individual asks the ASG to fund a program we must be sure to scrutinize the presenters and their proposals, regardless of the budget the ASG commands.

7.02 Health Services Fee (*Discussion/Action*)

Hoffman: Is presenting today on behalf of the Health and Wellness center. The Health and Wellness center provides many services to students such as Medical Examinations, provides birth control, STI and HIV testing, Cryosurgery, Screening for eye exams, etc.

Consequences if the fee doesn't increase: No consequences on current services, the fee would go towards increasing services for students. Increasing the fee would help sustain the amount of hours available for mental health services on campus. Currently there is a waitlist for students seeking treatment, averaging 40 students at any given time.

Ostrow: The survey conducted by Active Minds showed overwhelming support for mental health services.

Moved by Yoo to move to a roll call vote to approve the SCC ASG's formal support of an increase in the Health Services Fee by \$1, seconded.

Vote: Y(13) N(0) A(1)

Khalili (A), C. Vargas (Y), Lanning (Y), Cota (Y), Agama (Y), Martinez (Y), V. Vargas (Y), Azizi (Y), Saavedra (Y), Said (Y), Marsh (Y), Flores (Y), Yoo (Y), Garcia (Y)

Lanning moves to go to line item 6.02, seconded.

7.03 Library Hours (*Discussion Only*)

VP Vargas reminds Council to advertise extended library hours of Tuesdays until 9pm to classes, clubs, and any other organization of students on campus. Use computers, study rooms, etc. to show student interest in continually having library hours extended.

Library is keeping track of how many people walk in every single day as well as how many students are using study rooms using integrated technology such as using hours used on computers. Big brother is watching.

Thank you to VP Vargas for going through multiple talks with administration to get this extension for all students on campus!

7.04 Goals for the Semester (*Discussion Only*)

Hou: Every semester the ASG asks its members what goals they may have. Every member should always push to inspire some change on campus. If any member has ideas or plans for a project feel free to bring it to the council.

For the next council every member is expected to have three tangible goals for the semester.
