

ASGSCC ICC Club Rush Newsletter

Assembled by the ASG Inter-Club Council
Edited by Jordan Ner

What is the ASGSCC Inter-Club Council?

The Associated Student Government of Santiago Canyon College (ASGSCC) is a collective of SCC students who are elected by the SCC student body to represent and serve the SCC community. The ASGSCC Inter-Club Council is directly responsible for providing oversight and support to all active clubs at SCC.

What is Club Rush?

Club Rush is an event in which SCC's clubs and organizations gather on campus to provide aspects of their club with the expectation of recruiting interested students to join. In place of our traditional in-person event, we have compiled this newsletter as a way of connecting virtually. The Inter-Club Council requested a brief introduction message from each participating club so the SCC student body can learn more about what active clubs are available, and how they can connect with other students and welcome them as new members.

Inter-Club Council President Jordan Ner

Thank you for reading the SCCASG's first ever digital version of Fall Club Rush. It was a pleasure working alongside all of the SCC clubs to complete the newsletter. I'd like to thank all of our clubs and everyone in the core of ICC for making this possible. Although we are unable to bring to the student body our traditional club rush, I hope that this will assist you in learning about the different clubs that will be active this fall. Thank you for your dedication, hard work, and patience.

Sincerely,
Jordan Ner – Inter-Club Council President 2020 - 2021

Dead Poets Society

Welcome to the Dead Poet Society club! We're not just any club, but we're a community that supports one another's creative works! Each meeting is like a mini open mic event where you can either sit in, listen, and observe or you can join and share any sort of creative work, such as short stories, poems, a chapter of your novel, art pieces, and more! Our mission is to foster a community of creative individuals who are interested in expressing their creativity and developing their creative works. For more information about our club, watch the video we have provided down below. We hope to "see" you in our meetings!

United Students for Equal Education

Hi there! United Students for Equal Education (U.S.E.E.) is a club dedicated to helping undocumented and DREAMer students achieve the most of their education on SCC's campus and beyond. We provide resources and workshops centered on topics within the undocumented community. U.S.E.E. is focused on creating a safe and open space for our students regardless of their legal status. In the past we have hosted a DREAMer Conference for the incoming freshmen in our community; and we've also held get-togethers at Dave & Busters and Knotts Scary Farm. Even though we are social distancing, we plan on getting to know everyone and hosting numerous virtual events to build up camaraderie and community amongst the students at SCC. We look forward to meeting you all and can't wait to have our first meeting of the semester. Please reach out to us via email and follow us on our Instagram for more information!
