# Overview of Dual Enrollment

**Santiago Canyon College**

# What is dual enrollment?

- State-funded program allowing high school students to take college classes
- SCC provides 100% funding for enrollment fees (tuition)
- Students receive credit for both high school and college at the same time
- Available Fall, Intersession, Spring, and Summer
- Classes taught by SCC instructors

# How can dual enrollment help my student?

Dual Enrollment is associated with:

- Higher rates of high school completion
- Direct enrollment in college after high school
- Improving the likelihood of completing a college degree or certificate

# Why should my student take dual enrollment classes?

- SAVE \$\$\$ (potentially 1+ year of college tuition!)
- Save time – earn both high school and college credits at the same time
- Students learn how to be college students
- Students can earn certificates qualifying them for high-paying jobs and leading them to a career
- Access to SCC student support services such as the tutoring, math & writing labs, library, counseling

# Where are the classes offered?

- Students may take classes at their high school before, during, and after the school day (if offered)
- Students may also take classes at the Santiago Canyon College (SCC) campus, or our sister college - Santa Ana College (SAC) campus, or via Distance Learning (online)

# Who is eligible for dual enrollment?

- Students from 9th to 12th grade
- No residency requirement

# What are the requirements?

- High school counselor or principal approval and signature
- Parent/guardian approval and signature

# What are the costs?

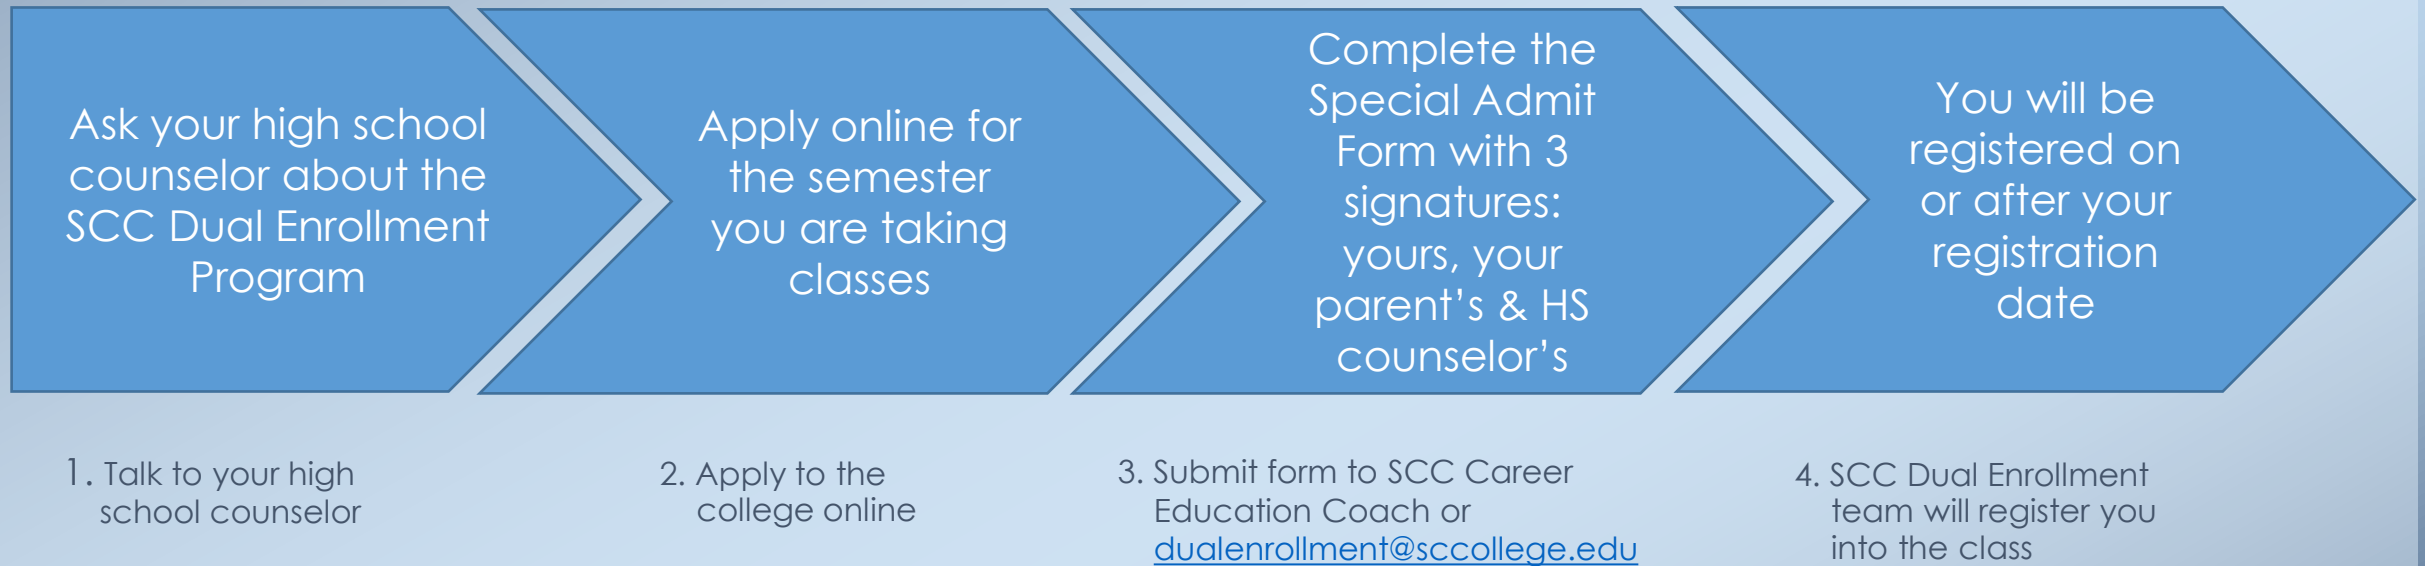

- **TUITION-FREE!** High school students DO NOT have to pay tuition of \$46 per unit (if enrolled less than full time)
- **No additional fees** for college courses taught at the HS campus
- Mandatory fees for courses taught at SCC or online
  - Health Fee (mandatory) \$19.00
  - Student Representation Fee (mandatory) \$2.00
  - Student Life & Leadership Fee for college activities (optional) ~~\$10.00~~
  - OCTA Bus Fee (waived for Spring 2021) \$4.30
  - Mandatory fees – Spring 2021 **\$21 - \$31**
- Textbooks . . . . . cost varies

# How can my student get started?

## *In four easy steps*

# How can I support my student?

- Understand what your student needs to do to be successful in taking a college course
- Help your student have a quiet, well-lit, distraction-free place to study
- Frequently check in on your student's academic progress
- Become familiar with FERPA
- Let your student sleep in – they need to get enough sleep
- Discuss academic and life goals with your student regularly
- Tell them you care about them and you love them!

# FERPA and dual enrollment

- FERPA (Family Education Rights and Privacy Act) is a federal privacy law that gives students certain protection concerning their educational records
- Under FERPA, parents/guardians will **not** have access to student college records, including absences, grades, and course progress
- College instructors and staff cannot share student's information with parents/guardians
- Dual Enrollment students, ***regardless of their age***, is protected under FERPA
- FERPA applies regardless of where the course is taught
- FERPA applies even when a high school teacher is instructing the course in partnership with the college
