schedule of ONLINE classes **SUMMER 2020**

SCC Online classes are taught via three different modes: Online, Online Live, and Online Blended. Below are the definitions and abbreviations for each of the modes. When registering for a class, take note of the online abbreviation as that is the mode through which the class will be taught. Online courses utilize video communication technologies. Class recordings of you and other students may occur and may be made available to the class. In addition, some courses may use video cameras for classroom discussions, presentations and/or to proctor exams.

- O** Online: classes are distance education classes that meet 100% online. Students must log-on at: canvas.sccollege.edu on or before the first day of class and complete work regularly throughout the week.
- OL** Online Live (OL): classes are distance education classes. Students must log-on at: canvas.sccollege.edu on or before the first day of class. The classes meet weekly in an online classroom environment at the posted scheduled times throughout the term. Students will be expected to log in and be present during the posted times.
- OB** Online Blended (OB): classes are distance education classes. Students must log-on at: canvas.sccollege.edu on or before the first day of class. Students complete work regularly throughout the week and the class meets only in an online classroom environment on some days throughout the term. Students will be expected to log in and be present during the posted times.

Most of all, Santiago Canyon College offers a welcoming and supportive campus environment with excellent student services. Counselors, faculty and staff are committed to help you in reaching your educational and career goals.

Seasons change, but your success starts right here. Right now.
