

## STUDENT EVALUATIONS

Students are asked to answer the questions below, giving a rating from 1-5:

1=Below Average

3=Average

5=Above Average

How well does the instructor:

1. Demonstrate knowledge of the subject?
2. Arouse interest in the subject and transmit enthusiasm?
3. Organize the course and prepare for presentations?
4. Communicate subject material to student?
5. Answer student questions and get class participation in discussions?
6. Assign suitable workload?
7. Make time available for individual consultations?
8. How well do the examinations reflect important aspects of the course?
9. How fair is the evaluative system used in this course?
10. What is the overall effectiveness of this instructor in teaching this course?
