

# BECOME A STATISTICIAN

## A STEM LEARNING COMMUNITY

Not only do mathematicians read differently than those in other disciplines, but they use what they are reading in different ways. This learning community will provide students with effective reading strategies to better understand their statistic textbook and approach word problems.

To join, enroll in the following courses:

Sec#	Course	Instructor	Times	Room	Units
42654	Reading 136	Freese A.	CANVAS	Online	1
45317	Math 219	Frost A.	CANVAS	Online	4
